1. Yin and Yang 1

Historical development 1

Nature of Yin-Yang concept 2

Yin-Yang as two phases of a cyclical movement

Yin-Yang as two stages of transformation

Four aspects of Yin-Yang relationship

Application of Yin-Yang to Medicine 7

Yin-Yang and the body structure

Application of the Four principles of Yin-Yang to Medicine

2. The Five Elements 15

The Five Elements in Nature 16

The Five Elements as basic qualities

The Five Elements as movements

The Five Elements as stages of a seasonal cycle

The Five-Element interrelationships

The Five-Element correspondences

The Five Elements in Chinese Medicine 21

The Five Elements in Physiology

The Five Elements in Pathology

The Five Elements in Diagnosis

The Five Elements in Treatment

The Five Elements in herbal and dietary therapy

3. The Vital Substances 35

The concept of Qi in Chinese philosophy 35

The concept of Qi in Chinese Medicine 37

Essence, Qi, Blood, Body Fluids

4. The Transformation of Qi 59

The Motive Force for the transformation of Qi 59

The dynamics of the transformation of Qi 60

The Stomach and Spleen as the Central Axis

The Liver and Lungs as the Outer Wheel

The Heart and Kidneys as the Root

Pathology of Qi transformation 61

Stomach and Spleen, Liver and Lungs, Heart and Kidneys

The Triple Burner's Transformation of Qi 64

5. The Functions of the Internal Organs 67

The Internal Organs and the Vital Substances 67

The Internal Organs and the tissues 68

The Internal Organs and the sense organs 68

The Internal Organs and the emotions 68

The Internal Organs and climates 68

6. The Functions of the Heart 71

Governs Blood 71

Controls the Blood vessels 72

Manifests on the complexion 72

Houses the Mind 72

Opens into the tongue 74

Controls sweat 74

Dreams 75

The Heart loathes Heat

The Heart controls speech

7. The Functions of the Liver 77

Stores Blood 77

- Ensures the smooth flow of Qi 78
- Controls the sinews 79
- Manifests in the nails 80
- Opens into the eye 80
- Houses the Ethereal Soul 80
- Dreams 81
 - The Liver is a resolute organ*
 - The Liver influences rising and growth*
 - The Liver controls planning*
 - The Liver is a regulating and harmonizing organ*
 - The Liver loathes Wind*
 - The Liver can cause convulsions*
 - The Liver arises from the left side*
- 8. The Functions of the Lungs 83**
 - Govern Qi and respiration 83
 - Control channels and blood vessels 84
 - Control dispersing and descending 84
 - Dispersing function, Descending function*
 - Regulate the Water passages 85
 - Control skin and hair 85
 - Open into the nose 86
 - House the Corporeal Soul 86
 - Dreams 87
 - The Lungs govern the 100 vessels*
 - The Lungs loathe cold*
 - The Lungs govern the voice*
- 9. The Functions of the Spleen 89**
 - Governs transformation and transportation 89
 - Controls Blood 90
 - Controls the muscles and the four limbs 90
 - Opens into the mouth and manifests in the lips 91
 - Controls the raising of Qi 91
 - Houses Thought 91
 - Dreams 92
 - The Spleen governs the four limbs*
 - The Spleen transforms fluids for the Stomach*
 - The Spleen is the Root of Post-Heaven Qi*
 - The Spleen is the origin of birth and development*
 - The Spleen raises the clear (Yang) upwards*
 - The Spleen loathes Dampness*
- 10. The Functions of the Kidneys 95**
 - Store Essence and govern birth, growth, reproduction and development 96
 - Produce Marrow, fill up the brain, control bones 96
 - Govern Water 97
 - Control the reception of Qi 97
 - Open into the ears 97
 - Manifest on the hair 97
 - Control the two lower orifices 98
 - House Will Power 98
 - The Gate of Vitality (Ming Men) 98
 - It is the Root of the Original Qi*
 - It is the source of Fire for all the Internal Organs*
 - It warms the Lower Burner and Bladder*
 - It warms the Stomach and Spleen to aid digestion*
 - It harmonizes the sexual function and warms the Essence and uterus*
 - It assists the Kidney function of reception of Qi*
 - It assists the Heart function of housing the Mind*
 - Dreams 100
 - The Kidneys control opening and closing*
 - The Kidneys control strength and will*
 - The Kidneys are the Root of Pre-Heaven Qi*
 - The Kidneys loathe dryness*
 - The Kidneys are the gate of the Stomach*
- 11. The Functions of the Pericardium 103**
- 12. Yin Organ Interrelationships 105**
 - Heart and Lungs 105
 - Heart and Liver 106
 - Heart and Kidneys 106
 - The mutual assistance of Fire and Water*
 - The common root of Mind and Essence*
 - Liver and Lungs 107
 - Liver and Spleen 108
 - Liver and Kidneys 108
 - Spleen and Lungs 108
 - Spleen and Kidneys 109
 - Lungs and Kidneys 109
 - Spleen and Heart 110
- 13. The Functions of the Yang Organs 111**
 - The functions of the Stomach 111
 - Controls the "rotting and ripening" of food*
 - Controls the transportation of food essences*
 - Controls the descending of Qi*
 - Is the origin of fluids*
 - Mental aspect, Dreams*
 - Relationship with the Spleen*

- The functions of the Small Intestine 114
Controls receiving and transforming
Separates fluids,
Dreams
Relationship with the Heart
- The functions of the Large Intestine 115
Relationship with the Lungs,
Dreams
- The functions of the Gall Bladder 115
Stores and excretes bile
Controls judgement
Controls the sinews, Dreams
Relation with Liver
- The functions of the Bladder 117
Removes water by Qi transformation
Dreams, Relationship with the Kidneys
- The functions of the Triple Burner 117
The Triple Burner as one of the six Yang organs
The Triple Burner as an "avenue for the original Qi"
The Triple Burner as the three divisions of the Body
Relationship with the Pericardium
- 14. The Functions of the Six Extraordinary Yang Organs 123**
- The Uterus 123
- The Brain 124
- The Marrow 124
- The Bones 125
- The Blood Vessels 125
- The Gall Bladder 125
- 15. The Causes of Disease 127**
- Internal Causes 129
Anger
Joy
Sadness
Worry and pensiveness,
Fear, Shock
- External causes 132
- Other causes of disease 134
Weak constitution, Over-exertion
Excessive sexual activity, Diet, Trauma, Parasites and
poisons
Wrong treatment
- 16. Diagnosis 143**
- Diagnosis by looking 144
Spirit, Body, Demeanour, Head and face, Eyes, Nose,
Ears, Mouth and lips, Teeth and Gums, Throat,
Limbs, Skin, Tongue, Channel diagnosis
- Diagnosis by hearing and smelling 153
Diagnosis by hearing
Diagnosis by smelling
- Diagnosis by asking 153
Chills and fever, Sweating, Head and body, Thorax
and abdomen, Food and taste, Stools and urine, Sleep,
Ears and eyes, Thirst and drink, Pain, Women,
Children
- Diagnosis by feeling 162
Pulse diagnosis
Palpating the skin
Palpating the limbs
Palpating the hand
Palpating the chest
Palpating the abdomen
Palpating points
- 17. Identification of Patterns 175**
- Identification of patterns according to the 8 Principles 176
- Identification of patterns according to Qi, Blood and Body Fluids 176
- Identification of patterns according to the Internal Organs 177
- Identification of patterns according to Pathogenic Factors 177
- Identification of patterns according to the 5 Elements 177
- Identification of patterns according to the channels 177
- Identification of patterns according to the 6 Stages 177
- Identification of patterns according to the 4 Levels 178
- Identification of patterns according to the 3 Burners 178
- 18. Identification of Patterns According to the Eight Principles 179**
- Interior-Exterior 180
Exterior, Interior
- Hot-Cold 181
Hot, Cold
Combined Hot and Cold
- Full-Empty 185
Empty Qi, Empty Yang, Empty Blood, Empty Yin
- Yin-Yang 188
Collapse of Yin
Collapse of Yang

19. Identification of Patterns According to Qi-blood-body Fluids 191

- Qi Pattern Identification 191
 - Qi Deficiency, Qi Sinking, Qi stagnation, Rebellious Qi*
- Blood Pattern Identification 193
 - Deficiency of Blood*
 - Stasis of Blood*
 - Heat in the Blood*
 - Loss of Blood*
- Body-Fluid Pattern Identification 194
 - Deficiency of Body Fluids*
 - Oedema, Phlegm*

20. Identification of Patterns According to the Internal Organs 199

21. Heart Patterns 201

- General aetiology 201
 - Exterior pathogenic factors, Emotions*
- Heart-Qi deficiency 202
- Heart-Yang deficiency 203
- Heart-Yang Collapse 204
- Heart-Blood deficiency 205
- Heart-Yin deficiency 206
- Heart-Fire blazing 208
- Phlegm-Fire harassing the Heart 209
- Phlegm misting the Mind 211
- Heart-Blood stagnant 212

22. Liver Patterns 215

- General aetiology 216
 - Exterior pathogenic factors*
 - Emotions, Diet*
- Stagnation of Liver-Qi 217
- Stasis of Liver-Blood 218
- Liver-Fire blazing upwards 220
- Liver-Wind agitating within 221
 - Extreme Heat generating Wind*
 - Liver-Yang rising causing Wind*
 - Deficient Liver-Blood causing Wind*
- Damp-Heat in Liver and Gall Bladder 223
- Stagnation of Cold in the Liver channel 224
- Deficiency of Liver-Blood 224
- Liver-Yang rising 225
- Liver combined patterns 227
 - Liver invading the Spleen*

- Liver invading the Stomach*
- Liver-Fire insulting the Lungs*

23. Lung Patterns 231

- General aetiology 231
 - Exterior pathogenic factors, Diet, Emotions, Life-style*
- Lung-Qi deficiency 232
- Lung-Yin deficiency 233
- Lung dryness 234
- Invasion of Lungs by Wind-Cold 235
- Invasion of Lungs by Wind-Heat 236
- Invasion of Lungs by Wind-Water 237
- Damp-Phlegm obstructing the Lungs 237
- Phlegm-Heat obstructing the Lungs 238
- Phlegm-Fluids obstructing the Lungs 239
- Combined patterns 240

24. Spleen Patterns 241

- General aetiology 241
 - Exterior pathogenic factors*
 - Mental factors, Diet*
- Spleen-Qi deficiency 242
- Spleen-Yang deficiency 243
- Spleen-Qi sinking 244
- Spleen not controlling Blood 244
- Cold-Damp invading the Spleen 245
- Damp-Heat invading the Spleen 245
- Combined patterns 246
- Spleen and Lung Qi deficiency 246
- Spleen and Liver Blood deficiency 247
- Obstruction of Spleen by Dampness with stagnation of Liver-Qi 247

25. Kidney Patterns 249

- General aetiology 250
 - Hereditary weakness, Emotions, Excessive sexual activity, Chronic illness, Old age, Overwork*
- Kidney-Yin deficiency 252
- Kidney-Yang deficiency 253
- Kidney-Qi not firm 254
- Kidneys failing to receive Qi 255
- Kidney-Essence deficiency 256
- Kidney-Yang deficient, Water overflowing 257
- Kidney-Yin deficient, Empty-Fire blazing 258

- Combined patterns 259
 Kidney and Liver Yin deficiency 259
 Kidney and Heat not harmonized 260
 Kidney and Lung Yin deficiency 261
 Kidney and Spleen Yang deficiency 262
- 26. Stomach Patterns 265**
 General aetiology 265
Diet, Emotions, Climate
 Stomach-Qi deficiency 267
 Stomach deficient and cold 268
 Stomach-Yin deficiency 268
 Stomach-Fire (or Phlegm-Fire) 269
 Cold invading the Stomach 270
 Stomach-Qi rebelling upwards 271
 Retention of Food in the Stomach 271
 Stasis of Blood in the Stomach 272
- 27. Small Intestine Patterns 273**
 General aetiology 273
Diet, Emotions
 Full-Heat in the Small Intestine 274
 Small Intestine Qi pain 274
 Small Intestine Qi tied 275
 Infestation of worms in the Small Intestine 276
 Small Intestine deficient and cold 276
- 28. Large Intestine Patterns 277**
 General aetiology 277
Exterior pathogenic factors
Emotions, Diet
 Damp-Heat in the Large Intestine 278
 Heat in the Large Intestine 278
 Heat obstructing the Large Intestine 279
 Cold invading the Large Intestine 280
 Large Intestine Dry 280
 Collapse of Large Intestine 281
 Large Intestine Cold 281
- 29. Gall-Bladder Patterns 283**
 General aetiology 283
Diet, Emotions, Climate
 Damp-Heat in the Gall-Bladder 284
 Gall-Bladder deficient 284
- 30. Bladder Patterns 287**
 General aetiology 287
Climate, Emotions, Excess sex
 Damp-Heat in the Bladder 288
 Damp-Cold in the Bladder 289
 Bladder deficient and cold 289
- 31. Triple Burner Patterns 291**
 Upper Burner 291
 Middle Burner 291
 Lower Burner 292
- 32. Identification of Patterns According to Pathogenic Factors 293**
 Wind 294
Wind-Cold, Wind-Heat, Wind-Damp, Wind-Water
Internal Wind
 Cold 297
Internal Cold
 Summer-Heat 297
 Dampness 298
Internal Dampness
 Dryness 300
Internal Dryness
 Fire 300
 Phlegm and stasis of Blood 301
- 33. Identification of Patterns According to the Five Elements 303**
 Generating Sequence Patterns 303
Wood not generating Fire
Fire not generating Earth
Earth not generating Metal
Metal not generating Water
Water not generating Wood
 Over-acting Sequence Patterns 304
Wood over-acting on Earth
Earth over-acting on Water
Water over-acting on Fire
Fire over-acting on Metal
Metal over-acting on Wood
 Insulting Sequence Patterns 304
Wood insulting Metal
Metal insulting Fire
Fire insulting Water
Water insulting Earth
Earth insulting Wood

- 34. Identification of Patterns According to the Channels 307**
 Organ versus channel 307
 Lungs 309
 Large Intestine 309
 Stomach 309
 Spleen 309
 Heart 309
 Small Intestine 309
 Bladder 309
 Kidneys 309
 Pericardium 309
 Triple Burner 310
 Gall Bladder 310
 Liver 310
- 35. Principles of Treatment 311**
 The Root and the Manifestation 312
Treat the Root only
Treat both the Root and the Manifestation
Treat the Manifestation first and the Root later
Multiple Roots and Manifestations
 When to support Upright Qi, when to expel pathogenic factors 315
Tonify Upright Qi
Expel the pathogenic factors
Tonify Upright Qi and expel the pathogenic factors
 The constitution 319
Essence-Qi-Mind
The Five Elements and the constitution
 Case histories 323
- 36. Principles of Combination of Points 329**
 Balance of points 329
Top and bottom, Distal and local points
Left and right, Yin and Yang, Front and back
- 37. The Five Transporting Points 335**
 According to the "Classic of Difficulties" 338
Well points, Spring points, Stream points, River points, Sea point
 "Spiritual Axis" 340
 Use according to the seasons 341
 Use according to the Five Elements 341
- 38. The Functions of Specific Points 345**
 Source points 345
Chapter 1 of the "Spiritual Axis"
Chapter 66 of the "Classic of Difficulties"
 Connecting points 347
Use in conjunction with the Source points
Use on their own
 Back Transporting points 349
 Front Collecting points 351
 Accumulation points 351
 Gathering points 352
- 39. The Extraordinary Vessel Points 355**
 Clinical use of the Extraordinary Vessels 356
Directing, Governing and Penetrating Vessels
Yin and Yang Heel Vessels
Yin and Yang Linking Vessels
Girdle Vessel
 Governing Vessel 358
 Directing Vessel 359
 Penetrating Vessel 360
 Girdle Vessel 361
 Yin Heel Vessel 362
 Yang Heel Vessel 363
 Yin Linking Vessel 364
 Yang Linking Vessel 365
- 40. The Functions of the Points 367**
 Main channel pathway 368
 Connecting channel pathway 368
 Lung channel 369
Zhongfu LU-1, Yunmen LU-2, Tianfu LU-3, Chize LU-5, Kongzui LU-6, Lieque LU-7, Jingqu LU-8, Taiyuan LU-9, Yuji LU-10, Shaoshang LU-11

APPENDIX 1. Identification of Patterns

According to the Six Stages 479

Greater Yang stage 479

General clinical manifestations

Attack of Wind, Attack of Cold

Bright Yang stage 479

General clinical manifestations

Bright-Yang channel pattern

Bright-Yang organ pattern

Lesser Yang stage 479

Greater Yin stage 479

Lesser Yin stage 479

Lesser Yin Cold pattern

Lesser Yin Heat pattern

Terminal Yin 480

APPENDIX 2. Identification of Patterns

According to the Four Levels 481

Defensive-Qi Level 481

Qi Level 481

Nutritive-Qi Level 481

Blood Level 481

APPENDIX 3. Identification of Patterns

According to the Three Burners 483

Upper Burner 483

Wind-Heat invading the Lungs

Heat in the Lungs

Heat in the Pericardium

Middle Burner 483

Heat in the Bright Yang

Damp-Heat invading the Spleen

Lower Burner 483
